Oregon Active Workers' Compensation Employer Database (EDS)

Oregon Active Workers' Compensation Employer Database (EDS):
The Employer Database System is a database of all Oregon employers and their history of workers' compensation (WC) insurance coverage. The system produces a snapshot of current employers with active workers' compensation insurance policies.

Data <u>not</u> included in Oregon Active Workers' Compensation Employer Database:

1. Client employers - Leasing companies are listed, but not their clients (it is considered confidential)
2. Contact names
3. FEINs that may be Social Security Numbers

Data Field	Description
